

Announcement

Public Hearing of ESIA for Mtkvari Hydropower Plant Construction Project

Mtkvari HPP LLC, a hundred percent subsidiary of JSC Caucasus Energy and Infrastructure, announces that the Public Hearing of ESIA for Mtkvari hydropower plant construction project is scheduled to be held on 15 October 2009, at 1 p.m. on the following address: 18 Kostava Str., Akhaltsikhe.

Mtkvari HPP, Samtskhe-Javakheti Region

Mtkvari HPP construction project envisages the construction of a 38-42 MW Hydropower Plant on river Mtkvari, in Samtskhe-Javakheti region, south of Georgia. The HPP is scheduled to be constructed near the city Akhaltsikhe. The Headworks of HPP will be located 1.5 km from the village Rustavi, while the HPP building will be 0.6 km from the village Sakuneti.

Any member of the public will be able familiarize himself with the corresponding Report on ESIA of Mtkvari HPP Project at the following address: 44 Al. Kazgebi Ave; Tbilisi, Georgia or on the following link: http://dug.ge/MTKVARI_ESIA_REPORT.pdf

Representatives from Mtkvari HPP LLC will be able to discuss any suggestions and answer any questions from the members of the public, if they are submitted in a written form until 15 October 2009.

The hearing at 18 Kostava Street in Akhaltsike will be open for the attendance of any member of the public, including the CEI shareholders.
